THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

7 September 1982

NOTE FOR: D/OGI

FROM : NIO for Narcotics

Jim --

Further to our conversation I talked to [redacted] about including narcotic items in the NID and PDB. He is ready to do so and asks that appropriate items be forwarded to his personal attention. Key Judgment portions of analytical pieces are possible candidates as you know, and might do in the absence of spot news.
